**FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We certain historic average gross revenue financial information of franchised and corporate The Halal Guys restaurants. As of December 31, 2025, there were a total of 77 franchised The Halal Guys

restaurants and 4 corporate The Halal Guys restaurants; however, we disclose below information from only 70 franchised The Halal Guys Restaurants (the “Reporting Franchised Restaurants”) and 3 corporate The Halal Guys Restaurants (the “Reporting Corporate Restaurants”) that were open for a full 12 months as of such date. 7 franchised The Halal Guys Restaurant are excluded from the reporting because they were not open for a full 12 months as of December 31, 2025 and 1 company-owned The Halal Guys Restaurant is excluded because it is a ghost kitchen whose results may be different than a typical The Halal Guys Restaurant.

We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Margaret Carrera at 10-02 34th Avenue, Astoria, New York 11106 and 347-527-1505, the Federal Trade Commission, and the appropriate state regulatory agencies.
