ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable

basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following Tables present the Gross Sales from player/participant registration reported by N ZONE SPORTS for certain franchisees from January 1, 2025 through December 31, 2025 (the "Measurement Period"). At the start of 2025, there were a total of 61 franchised outlets in operation. A total of 20 new franchised outlets opened during 2025 ("New Outlets") and a total of 3 franchised outlets ceased operations during 2025 ("Closed Outlets"). As a result, there were a total of 78 franchised outlets in operation as of December 31, 2025. These financial performance representations include the historical performance of 58 franchised outlets (74% of all outlets as of December 31, 2025), as reported to us by our franchisees.

We excluded each of the 20 New Outlets and 3 Closed Outlets from these financial performance representations because they were not in operation for the entirety of the Measurement Period. We also excluded 1 franchised outlet because they did not offer any N Zone Leagues or N Zone Junior Programs in 2025 and earned no revenue for the entirety of the year. Two of the excluded outlets (2.6% of all outlets as of December 31, 2025) were open for less than 12 months before closing.

Each of the tables in this Item 19 presents average and median Gross Sales for outlets based on the size of their territory (by population range) and the services offered. Table 1 includes 12 franchised outlets that operated both N Zone Leagues and N Zone Junior Programs in 2025. Table 2 includes 28 franchised outlets that operated only N Zone Leagues in 2025. Table 3 includes 18 franchised outlets who operated only N Zone Junior Programs in 2025.
