

ITEM 19.
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and or franchisor – owned outlets if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Kelly Gregoryk, VP Administration, Box 117, Diamond Valley, Alberta T0L 0H0 Canada, (800) 345-2951 Ext. 101, the Federal Trade Commission, and the appropriate state regulatory agencies.
