ITEM 18. PUBLIC FIGURES

We do not presently use any public figures to promote our franchise.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2025, there were 37 franchised MONSTER MINI GOLF® Outlets open and in operation; however, only 27 of those were open for the full reporting period of January 1, 2025 through December 31, 2025 (the "FPR Franchised Outlets"). A transferred outlet is excluded from the data below as it did not have data for a full reporting period..

As of December 31, 2025, there were 3 affiliated outlets open and in operation (the “FPR Affiliate Outlets”). The FPR Affiliated Outlets are operated by our affiliates, Ready Set Glow, LLC, RSG II, LLC and RSG III, LLC.

Accordingly, there were a total of 27 (26 franchised and 3 affiliate-owned) MONSTER MINI GOLF® Outlets open and in operation for the full reporting period of January 1, 2025 through December 31, 2025 that were available for inclusion in the financial performance results below. We note that, with one exception as further explained below, all information reported in this Item 19 reflects data that was supplied to us by each respective FPR Franchised Outlet and FPR Affiliated Outlet in their P&L statement. One location (Stafford, VA) was a transferred outlet and did not have financial data pre-transfer to be able to provide a full year P&L statement. Consequently, we have relied on information generated from the POS System in order to provide their results for Part II and Part III; we are unable to provide their results for Part I as the POS System does not report on the information provided in Part I with such detail.

3. With respect to the data disclosed in Part III of Item 19, FPR Affiliate Outlets are not expected to have any materially different financial or operational characteristics than the FPR Franchised Outlets.

Some outlets sold this amount. Your individual results may differ. There is no assurance you will sell as much.

The financial performance representations do not include any costs or expenses that must be deducted from the gross revenue figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your MONSTER MINI GOLF® Outlet. Franchisees or former franchisees, listed in the Disclosure Document, may be one source of this information.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding historic financial performance representation, we do not make any representations about a franchisee's future financial performance. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Christopher King, 230 East W.T.
