**Notes:**

1. This table of gross revenues of Apricot Lane Boutique Stores above consists of the relevant set of reported gross revenues of the 50 franchised Stores that were open and operating during the entire 12-month period shown. We had 85 franchised Apricot Lane Boutique Stores open as of the end of the period shown. The 35 franchised Stores in existence as of December 31, 2024, that were excluded from the table were: (a) 3 Stores that first opened for business during 2024; (b) 5 Stores that relocated or transferred ownership during that period; and (c) 27 stores that ceased operations during that period. Of these 27 Stores that that closed during 2025, none had been open for less than 12 months.
2. The row for All Stores consists of all franchised Stores described in Note 1. The row for Top 10 consists of the 10 franchised Stores with the highest reported annual gross revenues. The row for Top 20 consists of the 20 franchised Stores with the highest reported annual gross revenues. The row for Bottom 20 consists of the 20 franchised Stores with the lowest reported annual gross revenues. The row for Bottom 10 consists of the 10 franchised Stores with the lowest reported annual gross revenues.
3. The gross revenues shown were derived from unaudited financial reports submitted by franchisees for the purpose of computing royalties and using a gross revenues definition identical to the one in Item 6.
4. Stores reflected in this table have been open for a period ranging from 1 year to more than 10 years. A new Apricot Lane Boutique Store is likely to experience a start-up period before achieving stabilized revenues.
5. Some of the Stores reflected in this table are located in areas where Apricot Lane Boutique Stores have established a market presence. If you open your Store in a new market, your Store will not benefit from any established trade identity in the local market derived from the presence and marketing activities of other Apricot Lane Boutique Stores in the local market.

## General

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

**Some outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.**

The financial performance representation figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenues or gross sales figures to obtain your net income or profit.
