ITEM 18: PUBLIC FIGURES

We do not currently use any public figures to promote our franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor owned outlets, if there is a reasonable basis for the information, and if the information is included in the Franchise Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

As of our fiscal year ending December 31, 2025, we had 6 affiliate-owned outlets open and operating and one franchised outlet open and operating. This financial performance representation is a historic representation based on the past performance of our affiliate outlets and in the second table the single franchised unit that operated during the 2025 fiscal year. Our affiliates operate in substantially the same manner, and offer the same goods and services, that our franchised outlets offer.
