**ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the disclosure document. Financial performance information that differs from that included in ITEM 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this ITEM 19, for example, by providing information about performance at a particular location or under particular circumstances.

The tables below summarize the financial performance of all Big Air Trampoline franchised locations open and operating during all twelve months during the period of January 1, 2025 and December 31, 2025 (“Reporting Period”). These 15 franchised locations have been in operation for an average of 5 years and 1 month. Specifically, the information in the tables below represents the revenue and expenses reported by the franchisees during a 12-month operating period. The information in the tables below is organized into three tiers of franchised locations, Tier 1, Tier 2 and Tier 3.

For purposes of this ITEM 19, “Gross Revenue” is defined as the total of all receipts derived from services performed or products sold at the Big Air Trampoline franchised location, whether such receipts are evidenced by cash, credit, checks, gift certificates, scrip, coupons, services, property or other means of exchange and does not include the following: (i) sales tax receipts collected by the Big Air Trampoline franchisee and paid to the government or any governmental authority; (ii) promotional or discount coupons to the extent that the Big Air Trampoline franchisee received no revenue; and (iii) the receipt of services or products by any employee of the Big Air Trampoline franchisee to the extent of the discount offered to the employee or such services or products were delivered to the employee for no charge.

“Expenses” include operating expenses, insurance, utilities, marketing, rent, payroll, retail supplies, taxes and royalties.

Revenue categories include general admission, events, food and beverage sales (“Big Eats”), and other sources of income.

General Notes:

(1) Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

(2) Franchisees must receive approval from us before selling any product or service other than our authorized products or services.

(3) The information used to prepare the Tables above was prepared from the profit and loss statements generated by our franchisees’ internal accounting systems.

(4) Some franchised locations have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance representation, Big Air Franchising, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Kevin Odekirk at 9891 Irvine Center Dr. #200, Irvine, CA 92618 at (844) 550-5867, the Federal Trade Commission, and the appropriate state regulatory agencies.
