Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

The preceding data has been extracted from royalty reports and income statements submitted to us by our franchisees. The income statements submitted to us were prepared by the franchisee.

For purposes of this Item 19, "Gross Revenue" means the total of all income arising from the operation of the franchised business. Gross Revenue does not include the amount of refunds and discounts made to clients, or the amount of sales or excise taxes that are separately stated and that the franchisee is required to and does collect from clients and pays to the appropriate taxing authority.

Gross Revenue figures do not reflect the costs of sales, other operating expenses, or other costs or expenses that must be deducted from Gross Revenue to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating a franchise. Franchisees and former franchisees listed in this disclosure document may be one source of this information

We strongly suggest that you consult a financial advisor or accountant for assistance in reviewing the table and in preparing your own financial projections.

**Some outlets have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.**

Written substantiation for the financial performance representation will be made available to you upon request.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Brad Schneider, President, 80 South Columbus Street, Sunbury, Ohio 43074, (614) 729-8517, the Federal Trade Commission, and the appropriate state regulatory agencies.
