ITEM 18
PUBLIC FIGURES

We do not use any public figures to promote the sale of our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATION

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

In this Item, we present historical information for DRYMEDIC Franchised Businesses for the 2025 fiscal year. The explanatory notes following the tables are an important part of the information presented. As of December 31, 2025, we had 56 franchisees operating in 92 Territories.

Tables 1 and 2 present information on 34 franchisees (representing 59 Territories) that were in operation for the entire 2025 fiscal year 12 franchisees (representing 16 Territories) operated under the STOP name in the 2025 fiscal year. Excluded from these tables are 3 franchisees (representing 3 Territories) that ceased operation during 2025 (of which all operated for more than 12 months prior to ceasing operations), 2 franchisees (representing 3 Territories) that did not report Gross Revenue for the entire 2025 fiscal year, and 13 franchisees (representing 17 Territories) that opened in 2025 and therefore did not operate for the entire 2025 fiscal year . See Note 2 in Table 1 for the definition of “**Gross Revenue**”.

- (1) The Table reports 34 franchisees, ranked in order of highest Average Gross Revenue Per Territory to lowest Average Gross Revenue per Territory.
- (2) Total Gross Revenue of the Territories in the quartile, as reported by those franchisees. The term “**Gross Revenue**” means all revenue from products and services sold, rendered, invoiced, billed, performed, bartered or traded from and all other income of every kind related to the Franchised Business, whether for cash, credit, trade, barter or other value and regardless of collection in the case of credit and even if you have contracted with third parties to provide certain of the services, less any bona fide refunds given to customers in the ordinary course of business. Gross Revenue also includes amounts billed to insurance or government programs. “Gross Revenue” includes all revenue related to the sale of any products and the performance of any services (whether or not the products or services are approved by Franchisor) that are provided using any portion of the Franchised Business in any manner, including the Marks (such as service vehicles, invoices, and uniforms bearing the Marks), the System, Confidential Information, any of the employees of the Franchised Business, or the telephone number of the Franchised Business. “Gross Revenue” is not reduced on account of any fees or commissions you pay to third parties who refer customers. “Gross Revenue” does not include any sales taxes or other taxes you collect from customers and pay directly to the appropriate taxing authority. We reserve the right to modify our policies and practices regarding revenue recognition, revenue reporting, and the inclusion or exclusion of certain revenue from “Gross Revenue” as circumstances, business practices, and technology change.
- (3) The averages reported in the table are calculated by dividing the Aggregate Gross Revenue by the number of the Territories in the respective quartile.
