ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure documents. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2024, our affiliates operated three ANOTHER SIDE TOURS businesses.

The following chart reflects sales for each of the three company-owned locations for 24 months ending December 31, 2024.

Gross Sales ¹	2024
Las Vegas	\$181,850
Los Angelas	\$435,190
San Diego	\$1,040,988

Note 1. "Gross Sales" means the total selling price of all services and products and all income of every other kind and nature related to your business, whether for cash or credit and regardless of collection in the case of credit but, does not include sales collected, proceeds from isolated sales that are not part of the products and services you offer in the operation of your business, tips or gratuities paid for the benefit of your employees, or returns to shippers or suppliers.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

Written substantiation of the data used in preparing this information will be made available upon reasonable request.

You should make your own independent investigation to determine whether or not the franchise may be profitable to you. You should use the above information only as a reference in conducting your analysis and preparing your own projected income statements and cash flow statements. We suggest strongly that you consult your financial advisor or personal accountant concerning financial projections and federal, state, and local income taxes and any other applicable taxes that you may incur in operating a Franchised Business.

Other than the preceding financial performance representation, One Tour At A Time, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Kenneth Lippman, Chief Executive Officer, One Tour At A Time, LLC, 11700 W. Charleston BLVD, #170-001 Las Vegas NV 89135, (702) 329-4111; the Federal Trade Commission, and the appropriate state regulatory agencies.
