ITEM 18 PUBLIC FIGURES

We do not use any public figures to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a

reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

In this Item we provide certain historical operating results for Filta franchisees in calendar year 2025.

We had 117 franchisees in operation as of December 31, 2025. Of these, 106 franchisees that were in operation and reported revenue for all 12 months of 2025. In the following tables, those 106 franchisees are divided into two groups: franchisees who operated in multiple territories (69 franchisees) and franchisees who operated in a single territory (37 franchisees). Of the 106 franchisees that reported revenue for all 12 months, 10 franchised outlets were transferred to existing franchise owners; in these cases, the seller's revenue has been combined with the acquiring franchise owner's total 2025 revenue. In addition, 2 franchised outlets were transferred to new franchise owners; for these outlets, the seller's and buyer's revenues have been aggregated to reflect the total 2025 revenue for each respective franchised business.

Our franchisees' total systemwide revenue in 2025 was \$133,122,479.

Table 1 - Multi-Territory Operators

Number of Franchisees	Average Annual Revenue	Highest Annual Revenue	Lowest Annual Revenue	Number and % Exceeding Average	Median Annual Revenue
69	\$1,571,984	\$9,506,491	\$133,033	28 (41%)	\$1,150,410

Table 2 - Single-Territory Operators

Number of Franchisees	Average Annual Revenue	Highest Annual Revenue	Lowest Annual Revenue	Number and % Exceeding Average	Median Annual Revenue
37	\$517,415	\$1,829,462	\$73,384	12 (32%)	\$337,985

Of the 69 franchisees in Table 1, 18 operated in 2 territories, 15 operated in 3 territories, 16 operated in 4 territories, and 20 operated in 5 or more territories in 2025. The territories are defined by mapping software (see Item 12) and range from 66,616 to 2,760,304 in population.

The average number of vans operated by the 69 franchisees in Table 1 was 6.62 vans. The median number of vans operated was 5; the highest number of vans operated was 50; and the lowest number of vans operated was 1.

The average number of vans operated by the 37 franchisees in Table 2 was 286 vans. The median number of vans operated was 2; the highest number of vans operated was 8; and the lowest number of vans operated was 1.

The franchisees in Tables 1 and 2 had a total of 556 MFUs in operation and 10,911 distinct customers billed in 2025.

The financial performance representations appearing in this Item 19 constitute a historic representation. To the best of our knowledge, all of our franchisees use the cash basis of accounting.

Some outlets have sold this amount. Your individual results may differ. There is no assurance that you will sell as much.

Written substantiation for these financial performance representations will be made available to prospective franchisees upon reasonable request.

Other than the preceding financial performance representation, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Tom Dunn, 7075 Kingspointe Parkway, Suite 1, Orlando, Florida 32819, tel. (407) 996-5550, the Federal Trade Commission, and the appropriate state regulatory agencies.
