

**Item 19:
Financial Performance Representations**

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This historic financial performance representation below relates to the only Al Manakeesh restaurants that were open during 2025, of which there were a total of two. Bridgeview, Illinois is a company-owned restaurant. Dublin, Ohio is owned by a franchisee. During the 2025 calendar year, these were the only units in operation.

The following Table 1 represents the Gross Sales for the Bridgeview, Illinois Al Manakeesh Restaurant (“Bridgeview”) for each respective month that the restaurant was open in 2025. Gross Sales means all sales of any nature made from the Restaurant, regardless of the nature of the products sold, including off site and online sales and all fees and charges received for deliveries, less any applicable sales tax, voids, or comps.
