We do not use any public figures to promote our franchise. You may use the name of a public figure or celebrity in your promotional efforts or advertising only with our approval.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided by this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Revenues for those MIDTOWN CHIMNEY SWEEPS Business Territories that operated for a full calendar in 2025 (the "Reporting Territories"). We also include a second table with Median information in these same categories.

As of December 31, 2025, we had 39 outlets, 31 of which remained in operation for the entire calendar year. During 2025, 8 outlets ceased operations or were not renewed and therefore are not included in the Reporting Territories. No new territories opened part way through 2025. Where a franchise operates multiple outlets, Gross Revenues have been allocated evenly across those outlets for purposes of this analysis.

2. The information regarding the Gross Revenues and numbers of jobs in the tables below has been prepared from data obtained from the unaudited information submitted by the Reporting Territories through our scheduling center.

3. The total size of each Protected Territory is approximately 110,000 households.

Written substantiation for these financial performance representations will be made available to the prospective franchisee upon reasonable request.

Some outlets have sold this amount. Your individual results may differ. There is no assurance you will sell as much.

The financial performance representation figures do not reflect the cost of sales, operating expenses or other costs or expenses that must be deducted from the Gross Revenues figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your MIDTOWN CHIMNEY SWEEPS Business. Franchisees or former franchisees listed in this Disclosure Document may be one source of this information.

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing MIDTOWN CHIMNEY SWEEPS Business, however, we may provide you with the actual records of that MIDTOWN CHIMNEY SWEEPS Business. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Byron Schramm at 2805 Wilderness Place, Suite 900, Boulder, CO 80301, and (720) 575-7949, the Federal Trade Commission, and the appropriate state regulatory agencies.
