ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 28, 2025 we had 138 franchised outlets.

The following table reflects the annual sales (defined below) for all 138 franchised outlets that were open for at least 12 full months as of December 28, 2025. The table below does not include information for the 21 franchised outlets that were not open for at least 12 full months as of December 28, 2025

We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or

projections of your future income, you should report it to the franchisor's management by contacting Quiz Holdings, LLC, 4700 S.
