**FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a Franchisor to provide information about the actual or potential financial performance of its franchised and/or Franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in this Item 19 may be given only if: (1) Franchisor provides the actual records of an existing outlet you are considering buying; or (2) Franchisor supplements the
