FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of franchised Stores. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing SMOOTHIE FACTORY Store, however, we may provide you with the actual records of that Store. If you receive any other financial performance information or projections of future income, you should report it to the franchisor's management by contacting Sherif Mityas, President, Smoothie Holdings FC, LLC, 14860 Montfort Drive, Suite 150 PMB 34, Dallas, Texas 75254, or 214-302-5932; the Federal Trade Commission, and the appropriate state regulatory agencies.
