

Item 19
FINANCIAL PERFORMANCE REPRESENTATION

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is any reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may only be given if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item contains a historic financial performance representation about our existing franchised outlets in 2025. As of September 28, 2025, our fiscal year end, we had 43 franchised outlets, of which 38 franchised outlets were open and operating during the entire 2025 fiscal year. Five franchised outlets that did not operate during the entirety of our 2025 fiscal year were excluded from reporting.

The data used in preparing this financial performance representation was compiled from information submitted to us by the franchisees in their unaudited sales reports for their franchised restaurants.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you’ll earn as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Bryan Kelly Roddy, Barberitos Franchising Co., LLC, 3135 1st Avenue N., Suite 15459, St. Petersburg, Florida 33733, 727-201-2648, the Federal Trade Commission, and the appropriate state regulatory agencies.
