Table 3 is an historic financial performance representation reflecting the low, high, median and average of the Gross Sales by year for Prime IV Hydration & Wellness® Unit Franchises that were open at least 12 full months in 2023, 2024 and 2025.

Table 3 PRIME IV HYDRATION & WELLNESS® Franchisees 2023 to 2025 Annual Gross Sales Comparisons (Open At Least 12 Months During Year)				
Year	Low*	High	Median	Average
2023	\$242,543	\$1,402,185	\$662,046	\$698,937
2024	\$148,651	\$1,426,456	\$539,234	\$567,075
2025	\$61,147	\$3,317,033	\$459,958	\$492,568

(1) For purposes of the above information, Gross Sales means the total sales of each affiliate or franchisee, less taxes, discounts, rebates, and returns. In computing these figures, we took the actual sales of each Center.

(2) The affiliate Prime IV Hydration & Wellness® Center is owned and operated by our CEO and is located at 9475 Briar Village Point, Colorado Springs, CO 80920. It offers substantially the same products and services as Prime IV Hydration & Wellness® Centers will offer to their clients. The affiliate Center is approximately 1,200 square feet which is similar to what is anticipated for a new franchised Prime IV Hydration & Wellness® Center.

(3) There is no assurance that the Gross Sales in the Tables above will reflect or indicate the sales that you or any other franchised Center may achieve or will achieve.

(4) The Gross Sales in the Tables above do not reflect the actual potential net income of a Prime IV Hydration & Wellness® Unit Franchise and should not be relied upon in calculating profitability. There are a number of fixed and variable costs associated with a Prime IV Hydration & Wellness® Center that are not reflected in the table above and that vary among individual Prime IV Hydration & Wellness® Unit Franchises. These costs include costs described in Items 6 and 7 of this Disclosure Document, inventory costs, equipment costs, labor costs, rent and other occupancy costs, taxes, utilities, insurance, royalty fees, advertising, supplies, bad debt, warranty expenses, charge card expenses, equipment rental, taxes, debt service, depreciation on equipment and property, legal and accounting fees, regulatory compliance, management costs, general administrative expenses, preopening organization costs, employee benefits and repairs and maintenance. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business.

(5) The information in the chart was compiled based on actual reported sales by our affiliate Center and franchisees based on sales reports submitted to us by the affiliate or franchisee. We do not know if the figures reported to us by the affiliate Centers or franchisees were audited. We have not independently audited or verified the accuracy of these numbers, and we do not know if these numbers have been verified or audited.

(6) A particular Prime IV Hydration & Wellness® Unit Franchise's financial performance may be affected by numerous factors that may vary due to the individual characteristics of the Prime IV Hydration & Wellness® Unit Franchise. These factors include: competition from other medical providers, appreciation and acceptance of the services and products the Prime IV Hydration & Wellness® Unit Franchise offers in its community, a franchisee's experience, business development and managerial skills, advertising programs, personnel and cost controls, geographic and socioeconomic conditions in the franchisee's area, business cycles and performance of the economy locally, nationally and world-wide.

Written substantiation for the financial performance representations made in this Item 19 will be made available to the prospective franchisee upon reasonable request.

We encourage you to consult with your financial advisors in reviewing the information in this Item 19, in particular, in estimating the categories and amount of additional expenses that may be incurred in establishing and operating a Prime IV Hydration & Wellness® franchise.

Some outlets have sold this amount. Your individual results may differ. There is no assurance you'll sell as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Amy Neary, Chief Executive Officer, 1434 Kelly Johnson Blvd., Colorado Springs, CO 80920, (719) 375-1413, Email: Franchising@primeivhydration.com, the Federal Trade Commission, and the appropriate state regulatory agencies.
