**FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC’s Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of our franchised and/or franchisor-owned outlets, and/or affiliate-owned outlets, if there is a reasonable basis for the information, and the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing, other than for the information described in this Item or for information which supplements these tables with respect to performance at particular locations or under particular circumstances. If you are purchasing an existing business, however, we may provide you with the actual records of that business. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Oded Yefet at 252 NW 29<sup>th</sup> St., #924, Miami, Florida 33127, (905) 326-2969, the Federal Trade Commission, and the appropriate state regulatory agencies.
