Item 18 **PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

Item 19 **FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This financial performance representation contains actual, historical average,¹ median,² and high/low annual Gross Sales information during the 2024 Fiscal Year (from January 1, 2024, to December 31, 2024) for (1) all POLLO CAMPERO Restaurants (both franchised and owned by our affiliates), (2) separately for all franchised POLLO CAMPERO Restaurants, and (3) separately for all affiliate-owned POLLO CAMPERO Restaurants, that were open for business in the United States during the entire 2024 Fiscal Year (that is, open at both the beginning and the end of the 2024 Fiscal Year).

As defined more fully in Item 6 of this disclosure document, “Gross Sales” means the aggregate amount of all revenue and other consideration generated from any source, including from selling products, services, and merchandise (including delivery charges paid for deliveries made by the Restaurant’s employed staff), but excluding federal, state, or municipal sales, use, or service taxes collected from customers and paid to the appropriate taxing authority (and after deducting coupons/promotions and voids).

The actual average annual Gross Sales during the 2024 Fiscal Year for all POLLO CAMPERO Restaurants in the system in the United States that were open for operation during the entire 2024 Fiscal Year, including both franchised and affiliate-owned Restaurants, were \$3,242,596. All Restaurants that were open during the entire 2024 Fiscal Year are included, even if their ownership changed during that time period. The total number of Restaurants included in this average was 90 (75 owned by our affiliates and 15 franchised). The number of franchised Restaurants open for operation during the entire 2024 Fiscal Year whose actual Gross Sales exceeded the \$3,242,596 average during the 2024 Fiscal Year totaled 9 (60.0%). The number of affiliate-owned Restaurants open for operation during the entire 2024 Fiscal Year whose actual 2024 Gross Sales exceeded the \$3,242,596 average during the 2024 Fiscal Year totaled 28 (37.3%). (The results of two affiliate-owned “ghost kitchen” locations that operated during the entire 2024 Fiscal Year are excluded from this Item 19 because a “ghost kitchen” is a type of non-traditional venue for which we do not offer franchises.)

The actual median annual Gross Sales during the 2024 Fiscal Year for all POLLO CAMPERO Restaurants in the system in the United States that were open for operation during the entire 2024 Fiscal Year, including both franchised and affiliate-owned Restaurants, were \$3,011,175. The Restaurant with the highest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$8,831,243. The Restaurant with the lowest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$679,375.

¹ Average annual Gross Sales are calculated by dividing total Gross Sales during the entire 2024 Fiscal Year for all Restaurants in the particular grouping that were open for operation during the entire 2024 Fiscal Year by the number of Restaurants in the particular grouping that were open for operation during the entire 2024 Fiscal Year.

² Median annual Gross Sales represent the middle annual Gross Sales figure during the 2024 Fiscal Year for all Restaurants in the particular grouping that were open for operation during the entire 2024 Fiscal Year, with an equal number of Restaurants with Gross Sales above and below that figure.

The Gross Sales information for franchised Restaurants was obtained from weekly royalty reports submitted to us by franchisees and information we polled from point-of-sale systems in the Restaurants. We have not independently audited that information. The franchised Restaurants that were open for operation during the entire 2024 Fiscal Year and whose average Gross Sales during the 2024 Fiscal Year are reported above are substantially similar to the Restaurant franchises we currently offer. (Two new franchised Restaurants that opened during the 2024 Fiscal Year are excluded from this Item 19 because they were not open for the full 2024 Fiscal Year.)

The actual average annual Gross Sales during the 2024 Fiscal Year for the 15 franchised POLLO CAMPERO Restaurants open for operation during the entire 2024 Fiscal Year were \$3,526,031. The number of franchised Restaurants open for operation during the entire 2024 Fiscal Year whose actual Gross Sales exceeded this \$3,526,031 franchised Restaurant average during the 2024 Fiscal Year totaled 7 (46.7%). The actual median annual Gross Sales during the 2024 Fiscal Year for the 15 franchised POLLO CAMPERO Restaurants open for operation during the entire 2024 Fiscal Year were \$3,524,622. The franchised Restaurant with the highest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$5,467,952. The franchised Restaurant with the lowest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$679,375.

The actual average annual Gross Sales during the 2024 Fiscal Year for our affiliates' 75 POLLO CAMPERO Restaurants open for operation during the entire 2024 Fiscal Year were \$3,185,910 (Excluded from this Item 19 are 27 new affiliate-owned Restaurants that opened during the 2024 Fiscal Year and therefore were not open for the full 2024 Fiscal Year, and the 2 affiliate-owned ghost kitchens referenced above.) The number of affiliated Restaurants open for operation during the entire 2024 Fiscal Year whose actual Gross Sales exceeded this \$3,185,910 affiliated Restaurant average during the 2024 Fiscal Year totaled 29 (38.7%). The actual median annual Gross Sales during the 2024 Fiscal Year for our affiliates' 75 POLLO CAMPERO Restaurants open for operation during the entire 2024 Fiscal Year were \$2,978,746. The affiliate-owned Restaurant with the highest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$8,831,243. The affiliate-owned Restaurant with the lowest annual Gross Sales during the 2024 Fiscal Year had Gross Sales of \$1,198,061.
