FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchise and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Chart 1 contains historic average, median, high and low gross sales for two 12-month periods of January 2, 2023 to December 31, 2023 and January 1, 2024 to December 29, 2024. We included all franchised non-traditional IHOP Restaurants that were active and operating as of December 29, 2024, including 7 restaurants opened in 2024; except we excluded all Traditional IHOP restaurants (which are offered under a separate franchise disclosure document), and all Dual Brand Restaurants (there were no Dual Brand Restaurants during these periods). Notes

- (1) We compiled the gross sales data included in Chart 1 above from information submitted to us by our franchisees for royalty reporting. These amounts are not audited. Upon your reasonable request, we will provide written substantiation for these financial performance representations.
- (2) “Gross Sales” is defined as total revenues derived by Franchisee in and from each of the Franchised Restaurants and arising out of Franchisee’s activities pursuant to the Franchise Agreement, whether for cash sales of food and other merchandise or otherwise, or charge sales thereof, or revenues from any source arising out of the operation of the Franchised Restaurant(s) and Franchisee’s activities pursuant to the Franchise Agreement, deducting therefrom: (1) all refunds and allowances, if any; (2) any sales or excise taxes which are separately stated and which Franchisee collects from customers and pays to any federal, state or local taxing authority; and (3) any amounts paid via cash, credit card or other means with respect to vending machines or pay telephones which are located in or about the Franchised Restaurant(s), if such vending machines and/or pay telephones are leased and not owned by Franchisee, in which case Gross Sales will include only the commissions Franchisee receives from those leases. This definition is provided in the Franchise Agreement.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance that you will earn as much.

Other than the preceding financial performance representations, we do not make any representations about a franchisee’s future financial performance on the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Jacob Barden, Senior Vice President, Development, 10 West Walnut Street, Pasadena, California 91103, (818) 637-5206, jacob.barden@dinebrands.com, the Federal Trade Commission and the appropriate state administrators.
