Item 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the

actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As used in the table above, “Gross Revenue” means all revenue from the franchised business.

Some outlets have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.

No Hummus Republic Express units are included in the table above.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Except for the information in this Item 19, we do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Mr. Nir Giat, 20855-10b Ventura Blvd., Woodland Hills, CA 91364, and 818-987-9767, the Federal Trade Commission, and the appropriate state regulatory agencies.
