ITEM 19 FINANCIAL PERFORMANCE REPRESENTATION

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the franchise disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

year. This table excludes the performance of 65 franchised Restaurants that opened during 2024, 16 franchised Restaurants that permanently closed during 2024, and 38 franchised restaurants that were temporarily closed in 2024.

Notes

1. The term "Gross Sales" means the aggregate amount of all sales of food, beverages and other products sold and services rendered in connection with a Restaurant, including monies derived from sales at or away from the Restaurant, whether for cash or credit, but excluding: (1) all federal, state or municipal sales or service taxes collected from customers and paid to the appropriate taxing authorities; and (2) all customer refunds and adjustments and promotional discounts made by the Restaurant.

2. The Gross Sales of franchised Restaurants were derived from unaudited financial reports submitted by franchisees for the purpose of computing royalty fees.

3. **Some Restaurants have sold this much. Your individual results may differ. There is no assurance that you'll sell as much.**

4 We have not included the costs of sales, operating costs or other costs and expenses for the Restaurants.

5. Written substantiation of the data used in preparing this financial performance representation will be made available to you upon reasonable request. However, we will not disclose the identity or sales data of any particular Restaurant without the consent of that owner, except to any applicable state registration authorities or except in connection with the sale of a particular existing Restaurant that we own.

Other than the preceding financial performance representation, Gosh Enterprises, Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting our Associate Counsel, Grant Bacon at (614) 923-4700, the Federal Trade Commission, and the appropriate state regulatory agencies.
