PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

**ITEM 19:  
FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2024 there were 3 franchises operating 6 territories in the Mold Medics franchise system. No franchise permanently closed in 2024.

Below we have provided certain historical financial information for two franchises operating 4 territories that operated for the entire 12-month period ended December 31, 2024. We have excluded one franchise operating two territories that opened in 2024 and did not operate for the entire 12 month period ended December 31, 2024. One of the franchises included in this Item 19 was operated by our affiliate until May 1, 2024 when it was sold to a franchisee. Our former affiliate began operating in 2018 and the other franchise location begin operating in 2021.
