ITEM 18
PUBLIC FIGURES

We do not currently use any public figure to promote our franchise. No public figure is currently involved in our management.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets if there is a reasonable basis for the information and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

DEFINITIONS

- (a) Average – means the sum of all data points in a set, divided by the number of data points in that set.
- (b) Brick and Mortar Plus Outlet – refers to a Frios Outlet that has a brick-and-mortar location within an Operating Territory. A Brick and Mortar Plus Outlet also has the right to operate a Sweet Ride Truck and/or mobile Frios Cart within the Operating Territory. Not all Brick and Mortar Plus Outlets operate a Sweet Ride Truck and/or Frios Cart within the Operating Territory. For purposes of this Item 19, if an Outlet has a brick-and-mortar location and a Frios Cart and/or Sweet Ride Truck, the Outlet shall be categorized as a Brick and Mortar Plus Outlet only.
- (c) Calendar Year – means, as to each respective year, the 12-month period commencing on January 1 and ending on December 31.
- (d) Cart Only Outlet – refers to a Frios Outlet that operates one or more Frios Carts within an Operating Territory. A Cart Only Outlet does not have a brick-and-mortar location and/or a Sweet Ride Truck.
- (e) Company Owned Outlet – means an Outlet owned either directly or indirectly by us, our affiliate or any person identified in Item 2 of this Disclosure Document. A Company Owned Outlet also includes any Outlet that is operated as a joint venture owned in part by us, our affiliate or any person identified in Item 2 of this Disclosure Document, or that is managed by us our affiliate or any person identified in Item 2.
- (f) Franchise Outlet – refers to a Frios Outlet operated under a Franchise Agreement that is not a Company Owned Outlet.
- (g) Full Year Outlet – refers to a Frios Outlet that is open for at least 15 hours per week during the peak season of April through September and derives more than 20% of its Gross Sales for the Calendar Year

during the off season of October through March.

- (h) Gross Sales – means the total revenue derived by each Frios Outlet less sales tax, discounts, allowances, and returns.
- (i) Median – means the data point that is in the center of all data points used. That number is found by examining the total number of data points and finding the middle number in that set. In the event the number of data points is an odd number, the median will be the center number. If the dataset contains an even number of data points, the median is reached by taking the two numbers in the middle, adding them together, and dividing by two.
- (j) New Franchise Outlet – means, as to a particular Calendar Year, a Franchise Outlet that for the first time opened and commenced operations during the Calendar Year. For example, if a Franchise Outlet first opened for business in February 2023, as to the 2023 Calendar Year, the Franchise Outlet would qualify as a New Franchise Outlet and not as an Operational Franchise Outlet, see definition below. If this Franchise Outlet remained in operation throughout the 2024 Calendar Year, it would qualify as an Operational Franchise Outlet during the 2024 Calendar Year.
- (k) Operational Franchise Outlet – means, as to a particular Calendar Year, a Franchise Outlet that was open and in operation on or prior to the commencement of the Calendar Year. For example, if a Franchise Outlet first opened for business in February 2023, as to the 2023 Calendar Year, the Franchise Outlet would qualify as a New Franchise Outlet, see definition above, and not as an Operational Franchise Outlet. If this Franchise Outlet remained in operation throughout the 2024 Calendar Year, it would qualify as an Operational Franchise Outlet during the 2024 Calendar Year.
- (l) Outlet – refers to a Frios Outlet that is either a Company Owned Outlet or a Franchise Outlet, as the context requires.
- (m) Seasonal Outlet – refers to a Frios Outlet derives more than 80% of its Gross Sales for the Calendar Year during the peak season of April through September.
- (n) Sweet Ride Truck Plus Outlet – refers to a Frios Outlet that operates one or more Sweet Ride Trucks within an Operating Territory. A Sweet Ride Truck Plus Outlet also has the right to operate a Frios Cart within the Operating Territory. Not all Sweet Ride Truck Plus Outlets operate a Frios Cart within the Operating Territory. For purposes of this Item 19, if an Outlet operates a Sweet Ride Truck and a Frios Cart but does not have a brick and mortar location, the Outlet shall be categorized as a Sweet Ride Truck Plus Outlet only.
- (o) Very Part Time Outlet – refers to a Frios Outlet that is open for less than 15 hours per week during the peak season of April through September.
