ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

HISTORICAL FINANCIAL PERFORMANCE REPRESENTATION

Background

As of December 31, 2024, twelve (12) franchisees were in operation for the entire 2024 calendar year. This Item 19 discloses certain historical financial performance information for those twelve (12) franchisees (the “Reporting Businesses”). Two of these Reporting Businesses are owned and operated by Omaha Blinds and Shutters LLC (“OBS”), which is owned by our Founder Stephen Vest (the “Founder Business”).

2024 Financial Performance Information for the Reporting Businesses

This Item sets forth historical Gross Sales and operating results for the Reporting Businesses during the 2024 calendar year (the “Measurement Period”). We obtained these figures from information provided by the Reporting Businesses to us through our proprietary software (the “Software System”) program for the Measurement Period. Franchisees are not required to use generally accepted accounting principles when reporting these figures. We did not audit or otherwise independently verify this information.

Table 1 of this Item 19 discloses the Aggregate Gross Sales per Group, Average Gross Sales in Group, Highest Gross Sales in Group, Lowest Gross Sales in Group, Median Gross Sales per Group, Number Exceeding Group Average, and Percent Exceeding Group Average, for each “Group” in thirds (Top Third, Middle Third, Bottom Third), during the Measurement Period as reported to us through our Software System by the Reporting Businesses.

Table 2 of this Item 19 discloses the Gross Sales for commercial jobs and residential jobs, and Percentage of Gross Sales for commercial jobs and residential jobs, during the Measurement Period as reported to us through our Software System by the Reporting Businesses.

Table 3 of this Item 19 discloses the Average, Median, Lowest, and Highest performance of Franchisees in the group achieved during the Measurement Period, as it relates to Total Estimates, Close Ratio, and Average Job Size, as reported to us through our Software System by the Reporting Businesses.

We will provide you with written substantiation for the financial performance representation upon reasonable request.
