## ITEM 18: PUBLIC FIGURES

We do not use any public figure to promote V's Barbershops or franchises for V's Barbershops.

## ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The charts below reflect historic: (1) Unaudited Average and Median Gross Sales for 49 franchise locations that have been open for at least three (3) years as of December 31, 2024; and (2) Unaudited Reported 2024, 2023, and 2022, Average and Median Gross Sales Per Unit for Units Opened At Least One (1) Calendar Year as of December 31, 2024, December 31, 2023, and December 31, 2022.

## Notes

1. On December 31, 2024, there were a total of 60 V's Barbershops open for business.
2. Each of the V's Barbershops identified in the charts above were open for at least three (3) calendar years as of December 31, 2024. The chart does not include 11 V's Barbershop franchise locations that were not open for three (3) calendar years as of December 31, 2024. Each of the excluded V's Barbershop locations opened for business on or after January 1, 2022. There are no company owned locations included in this financial performance representation.
3. The term "Gross Sales" means the aggregate amount of sales of all products and services, and all other receipts or receivables whatsoever, from all business conducted either: (i) upon or originating from the premises of the Franchised Business or (ii) under the Trademarks, whether or not upon or originating from the premises of the Franchised Business; without deduction for uncollected or uncollectible credit accounts and without allowances for bad debts. In addition, the term "Gross Sales" includes the proceeds received or realized by Franchisee or his Affiliates in connection with any business interruption insurance maintained by or for the benefit of Franchisee or his Affiliates. Notwithstanding the foregoing, the term "Gross Sales" will not include the amount of any taxes imposed by any governmental taxing authority directly on sales and collected from customers (if such tax is added to the selling price and actually paid by the Franchisee to such taxing authority), any credit granted by Franchisor to Franchisee under any coupon redemption or similar promotion or any refund or credit given with respect to any products returned or exchanged by a customer (provided that the sales price thereof was included in Gross Sales). Further, the term "Gross Sales" will not include receipts or receivables with respect to gift cards, as sales of products and services paid for with gift cards will be included in Gross Sales at the time such sales occur.
