ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This is a historic financial performance representation about a subset of Hi-Five Sports Club outlets and Hi-Five Sports Zone outlets. The representation only relates to the subset of Outlets identified below and does not relate to the performance of all of the System's existing Outlets.

The subsets in Part 1 and Part 2, as further described below, are composed of only those Clubs and Zones that were operational for the entire reporting period from January 1, 2024 through December 31, 2024.

Part 1.
Hi-Five Sports Clubs

As of the Issuance Date of this Disclosure Document, there were 7 franchised Hi-Five Sports Clubs (each, a "Franchised Club") open and in operation. Of those 7 Franchised Clubs, 7 were open to the public for the entire reporting period from January 1, 2024 through December 31, 2024 (the "FPR Franchised Clubs"). As of the Issuance Date of this Disclosure Document, there was 1 affiliate-owned Hi-Five Sports Club open and in operation and this Club was open to the public for the entire reporting period from January 1, 2024 through December 31, 2024 (the "FPR Affiliated Club"). The FPR Franchised Clubs and FPR Affiliated Club are included in the results below.

Gross Sales for the 7 FPR Franchised Clubs provided in this Item 19 were derived using the sales reports provided to us by our franchisees. Gross Sales for the FPR Affiliated Club provided in this Item 19 was derived using that Club's internal records.

Gross sales data for 2023 and 2024 is only provided if the Hi-Five Sports Club was operational for the entirety of each respective reporting year. If any Club was not open for the full reporting year, it will be marked as N/A.

Part 2.

Hi-Five Sports Zones

As of the Issuance Date of this Disclosure Document, there were 3 franchised Hi-Five Sports Zones (each, a "Franchised Zone") open and in operation. Of those 3 Franchised Zones, 3 were open to the public for the entire reporting period from January 1, 2024 through December 31, 2024 (the "FPR Franchised Zones"). The Hi-Five Sports Zone located in Oakdale, Minnesota is excluded from the financial performance representation below because it was not operational for the entire reporting period due to temporary closures relating to a change in ownership. As of the Issuance Date of this Disclosure Document, there was 1 affiliate-owned Hi-Five Sports Zone open and in operation and this Zone was open to the public for the entire reporting period from January 1, 2024 through December 31, 2024 (the "FPR Affiliated Zone"). The FPR Franchised Zones and FPR Affiliate Zone are included in the results below.

Gross Sales for all of the franchised and affiliate-owned zones provided in this Item 19 was derived using the sales reports provided to us by the owners of each outlet.

Gross sales data for 2023 and 2024 is only provided if the Hi-Five Sports Zone was operational for the entirety of each respective reporting year. If any Zone was not open for the full reporting year, it will be marked as N/A.

| FPR Affiliate Zones | | |
| Affiliate Zone ¹ | \$2,737,917 | \$3,238,270 |

We define Gross Sales as total revenue, less sales tax, discounts, allowances, and returns.

Some outlets have sold these amounts. Your individual results may differ. There is no assurance that you will sell as much.

Written substantiation for the financial performance representation will be made available to you upon reasonable request.

The information provided does not include the cost of sales and operating expenses that must be deducted from Gross Sales in order to calculate net income. Our Franchisees may be a good source of cost and expense information (see Exhibit G for a list of these Franchisees).

Other than the preceding financial performance representations, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Ryan Tuchman, CEO and President at (800) 605-1320, 5550 Glades Road, Suite 500 #1051, Boca Raton, Florida 33431, the Federal Trade Commission, and the appropriate state regulatory agencies.
