ITEM 18
PUBLIC FIGURES

We do not use any public figures to promote our franchise.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchisee and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

For the calendar year of 2025, the average annual Gross Volume of the top 10% of the 364 CPR Franchise Businesses in the United States that were open and operating for at least 12 months as of December 31, 2025, was \$1,073,475. The average annual Gross Volume of the bottom 10% of the 364 aforementioned

CPR Franchise Businesses was \$139,390. Of the top 10% CPR Franchise Businesses, the highest annual Gross Volume was \$1,578,997, the lowest annual Gross Volume was \$828,477 and the median annual Gross Volume was \$1,016,734. Of the bottom 10% of CPR Franchise Businesses, the highest annual Gross Volume was \$196,036, the lowest annual Gross Volume was \$39,684, and the median annual Gross Volume was \$146,766.

While there were 418 CPR Franchise Businesses open as of December 31, 2025, 29 CPR Franchise Businesses opened during 2025 and were not open for the entire year, 1 CPR Franchise Business is not required to use our accounting and reporting system, and 24 CPR Franchise Businesses either closed temporarily for relocation or closed temporarily in connection with a transfer and were therefore not open for the entire year. These 418 CPR Franchise Businesses also do not include 24 CPR Franchise Businesses that were terminated, 3 CPR Franchise Business that did not renew, and 11 CPR Franchise Businesses that ceased operations for other reasons in 2025. No CPR Franchise Businesses were excluded because they closed during 2025 after being open less than 12 months.

Notes:

1. "Gross Volume" includes all receipts from all of your sales (a) by, at, or in connection with your CPR Franchise Business, (b) which relate to the type of goods or services available now or in the future through your CPR Franchise Business and/or distributed in association with the Marks or your CPR Franchise Business, and/or (c) any co-branding activities. Gross Volume does not include billings which have not been collected. Gross Volume includes payments received by credit card, with no deduction for credit card or other charges. Gross Volume does not include customer refunds, or any taxes paid to any federal, state, municipal or other governmental authority. We reserve the right to require separate Gross Volume tracking and reporting.
2. We relied on the Gross Volume reported to us by the CPR Franchise Businesses.

Some CPR Franchise Businesses have earned this amount. Your individual results may vary. There is no assurance that you will earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, MMI-CPR, LLC does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Shelley Binkley at 260 Interstate North Circle, SE, Atlanta, Georgia 30339, (212) 859-7000 ext: 2814645, the Federal Trade Commission, and the appropriate state regulatory agencies.
