

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATION

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure documents. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following charts set forth certain historic performance information about Central Reservation System Contribution and average daily rate ("ADR") for Sample Hotels operating in the United States. "Sample Hotels", as used in these charts, are the 54 Cobblestone Inn & Suites® and Cobblestone Hotel & Suites® that have 45 or more guest rooms, were open for the entire 24-month period ended December 31, 2024, and for which we were able to receive detailed financial data in a consistent format. The sample accounts for 44.6% of the Cobblestone Inn & Suites® and Cobblestone Hotel & Suites® system, which consisted of 121 hotels as of December 31, 2024.

This financial performance representation reflects only contribution from the Central Reservation System and ADR for the Sample Hotels and does not reflect any costs of sales, operating expenses, and other costs or expenses that you will incur in operating your hotel, including the Monthly Fees, Marketing Fund Fees, and other fees and amounts that you must pay under the terms of the Franchise Agreement. (See Item 6 of this disclosure document.) This financial performance representation also does not include debt service or equipment lease costs that may be incurred in the operation of your hotel. In addition, this financial performance representation does not include any information about the federal income taxes payable on any net income derived from the operation of the Sample Hotels or your hotel or state or local net income or gross profits taxes that may be applicable in the jurisdiction in which the Sample Hotels or your hotel are located.

Your accountant can help you develop your own estimated costs for your site.
