

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC’s Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchise and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee’s future financial performance or the past financial performance of company-owned or franchised Stores. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing Store, however, we may provide you with the actual records of that Store. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor’s management by contacting Jojo Chen at Infinilush Company Limited, 652 Market Street, San Francisco, California 94104, 852-3507-6138.
